

SOCIAL EVENTS INFORMATION PACKAGE

Thank you for considering Prancing Pony Brewery for your social event.

Our Social Events Information package is intended as a guide for planning your event. Our packages can be tailored to suit your needs

THE BREWSHED

We are a working brewery, with all brewing processes in full view of our patrons. As part of our commitment to sustainable practices and honouring history, much of our furniture has been recycled and reclaimed from the sawmill and timber yard which formally occupied the land on which our brewery now stands.

The brewery restaurant is licensed for up to 120 persons and on dedicated days, the brewery is available for private functions. A large beer garden can be used for your function and this area can hold an additional 100 people (cocktail style), however a special limited licence is required for functions of more than 120 people. An application needs to be made to the liquor licensing agency at least 4 weeks prior to the function, as such we require any booking for more than 120 to be confirmed with a deposit at least 6 weeks prior.

We have a dedicated kitchen team and our floor staff will make sure that your special occasion is enjoyable and memorable.

VENUE HIRE

While we do not currently charge a venue hire fee, for groups of more than 30 people, we do require a minimum spend for the group to cover the cost of hosting such a group. Please see below
